

CF-4

High performance diesel engine oil

API CF-4

Available viscosity grades:

15W-40/ 20W-50

CF-4 is a high-performance diesel engine oil. We made for those older trucks that still work hard every day. We didn't overcomplicate it, just good base oils and the exact additives your engine actually needs. No gimmicks, nothing extra, just honest oil. We ran it in Vietnam's hot, wet conditions to be sure. It kept engines cleaner, cooler, and running strong for longer, just like it should.

PACKAGING UNIT:

TECHNICAL DATA:

Technical Specifications	ASTM	15W-40	20W-40
Density at 20°C (kg/L)	D4052	0.861	0.876
Kinematic Viscosity at 100°C (cSt)	D7042	14.68	19.07
Viscosity Index	D2270	130	132
Flash Point, Open Cup (°C)	D92	232	252
Pour Point (°C)	D97	-30	-21
Total Base Number – TBN (mg KOH/g)	D2896	9.8	9.8
